EXPERIENCE

UI/UX Designer | Momagic Bangladesh Ltd. (Edison Group) [↗](#)

June 2021 - Present | Full Time

Completed 20+ projects, including mKiddo App and Webmanza, emphasizing creativity and user experience. Collaborated with cross-functional teams, including developers and product managers, to ensure seamless implementation of design concepts. Conducted user research and usability testing to identify areas for improvement and validate design decisions.

Lead Designer | Genomediks Future Health [↗](#)

August 2022 - December 2022 | Part Time

Delivered exceptional and user-friendly designs that not only meet but exceed user and customer expectations. This lead role has allowed me to foster a collaborative and innovative environment within the team.

Junior Executive | Innovative Knitex Ltd. [↗](#)

September 2019 - February 2021 | Full Time

Provided design support for numerous projects, not only devising design plans that align with customer satisfaction but also ensuring timely delivery, particularly for smaller-scale initiatives.
